The Faculty of Perioperative Care Annual Conference

The Surgical Team: are perioperative practitioners increasingly working towards a medical model of care?

Building on the success of our previous Faculty conferences, our next annual meeting will be held in Birmingham on Saturday 4 November 2017 exploring the theme **The Surgical Team: are perioperative practitioners increasingly working towards a medical model of care?**

This meeting is open to all perioperative practitioners, as well as surgeons who work closely with advanced practitioners (e.g. surgical care practitioners, surgical first assistants etc) and have an interest in the future of the surgical team.

There will also be an informal meeting the day prior, at the RCSEd Regional Centre in Birmingham, providing an opportunity to meet and advise us on what other forms of education and support you would wish the Faculty to provide perioperative practitioners. If you are interested in attending this session, register your interest by emailing fpc@rcsed.ac.uk.

Date

4 November 2017

Location

The Studio
7 Cannon Street,
Birmingham
B2 5EP

Fee

£70 Full Fee
£60 FPC Members
